AFFILIATE BOAT AGREEMENT

Should my boat, _____, be selected as an affiliate boat, I
_____ will abide by the following requirements:

I will be responsible for moving my own boat and the boats of the Club by 2100 the night before all football games at Husky Stadium.

I will assist in returning all Club boats to their proper storage locations by 1000 the day after all football games, or in the event of multiple games on a given weekend by 1000 the day after the final game of the weekend.

I will not hold the Club responsible for any thefts or damage that may occur while my boat is designated as an Affiliate Boat.

I will use my boat to support Club activities, such as Snooze and Cruise, cruises of Lake Washington, Open Houses, keelboat instruction and general instructions on a timely basis.

I will generally be helpful to the Club. This could include boat maintenance, instructional or organizational activities.

I will help with one keelboat class per quarter.

I realize that appointment as an Affiliate Boat is only for six months and does not imply preference over other applicants in subsequent Affiliate Boat selections.
